

# Referencing APA Style

6th Edition of the Publication Manual, American Psychological Association, 2010

---

Follow this format typing your references.

- Start the reference list on a new page
  - All references are listed alphabetically by author's name or publishing organization (by article title if from a database such as eMedicine or Micromedex)
  - Center the word *References* (*Reference*, if there is only one) at the top of the page
  - Double-space all reference entries (unless told otherwise by your instructor)
  - Indent the second line of your reference five spaces
-
