Authors' Day Bibliography

2008

- Abdelsayed, G. (2007). Management of radiation-induced nausea and vomiting. *Experimental Hematology*, 35, 34-36.
- Afaq, M., Blendea, D., Upadhyay, S., Kish, S., & Deepak, B. (2007). *The effect of elevated right heart pressures on left ventricle septal and lateral wall E' velocities*. Paper presented at the American Society of Echocardiography Meeting, Seattle, WA.
- Afaq, M., Blendea, D., Upadhyay, S., Kish, S., Deepak, B., & Lancaster, G. (2007, March). *The effect of elevated right heart pressures on left ventricle septal and lateral wall E' velocities*. Paper presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Albanese, J., Martens, K., Forte, E., Paturas, J., Cannon, C., & Dainiak, N. (2007, April 26). *Building Connecticut's clinical biodosimetry laboratory surge capacity to mitigate the health consequences of radiological and nuclear disasters*. Paper presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Albanese, J., Martens, K., Karkanitsa, L. V., & Dainiak, N. (2007). Multivariate analysis of low-dose radiation-associated changes in cytokine gene expression profiles using microarray technology. *Exp Hematol*, 35(4 Suppl 1), 47-54.
- Arteaga, A., & Mayes, L. (2007). Book review: Lives across time: Growing up. *International Journal of Psychoanalysis*, 88(6), 1558-1562.
- Barrantes, F., Tian, J., Vazquez, R., Adjepong, Y., & Manthous, C. (2007, April). *Acute kidney injury in critically ill patients*. Poster presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.

- Bates, M., Kovalenko, B., Wilson, E., & Moscatelli, D. (2008). Endothelial cells support the growth of prostate tissue in vivo. *Prostate, Epub ahead of print*.
- Beck, A., McNeil, C., Abdelsayed, G., Chin-Lue, R., Kassis, S., & Manthous, C. (2007). Salmonella pseudomembranous colitis. *Connecticut Medicine, 71*(6), 339-342.
- Blendea, D., Duncan, C., Bedreaga, M., Crisan, S., & Zarich, S. (2007). Abnormalities of left ventricular long-axis function predict the onset of hypertension independent of blood pressure: A 7-year prospective study. *Journal of Human Hypertension, 21*(7), 539-545.
- Blendea, D., Duncea, C., Afaq, M., & Crisan, S. (2007). *Determination of changes in left ventricular mass during the process of onset of hypertension, a seven-year follow-up prospective study*. Paper presented at the American Society of Echocardiography Meeting, Seattle, WA.
- Blendea, D., Mansour, M., Shah, R., Chung, J., Nandigam, V., Heist, E., Mela, T., Reddy, V., Manzke, R., McPherson, C., Ruskin, J. & Singh, J. (2007). Usefulness of high-speed rotational coronary venous angiography during cardiac resynchronization therapy. *American Journal of Cardiology, 100*(10), 1561-1565.
- Blendea, D., Nandigam, V., Mela, T., Heist, E., McPherson, C., Ruskin, J., & Singh, J. (2008). Variability in the three-dimensional geometry of the coronary sinus: A rotational coronary sinus angiographic study, abstract. *Journal of the American College of Cardiology, 51*(10 (Supplement A)), A22.
- Blendea, D., Shah, R., Auricchio, A., Nandigam, V., Orencole, M., Heist, E., Reddy, V., McPherson, C., Ruskin, J., & Singh, J. (2007). Variability of coronary venous anatomy in patients undergoing cardiac resynchronization therapy: A high-speed rotational venography study. *Heart Rhythm, 4*(9), 1155-1162.
- Buonocore, D., & Sather, P. (2007). Comorbidities in critical care. In K. Carlson (Ed.), *AACN advanced critical care nursing*: Elsevier.
- Brannon, S., & Shimkin, P. (2007, November). "You make the call:" recognize the non-contrast CT signs of early stroke and improve decision making regarding thrombolytics-an interactive audio and image-based learning module. Presented at the Radiologic Society of North America, Chicago, IL.
- Chin-Lue, R., Abdelsayed, G., Beck, A., McNeil, C., Kassis, S., & Manthous, C. (2007). *Salmonella enteritica pseudomembranous colitis*. Poster

presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.

- Crombie, R., Fidler, P., & Schulz, J. (2007, April). *Treatment of severe Hidradenitis Suppurativa with excision and engraftment with integra*. Paper presented at the Twenty-first Annual Science Symposium, Bridgeport, CT.
- Dainiak, N. (2007). Recent advances in radiation effects, hematopoiesis, and malignancy. *Exp Hematol*, 35(4 Suppl 1), 1-4.
- Dainiak, N., Berger, P., & Albanese, J. (2007). Relevance and feasibility of multi-parameter assessment for management of mass casualties from a radiological event. *Exp Hematol*, 35(4 Suppl 1), 17-23.
- Dainiak, N., Rai, K. R., Carsten, A., & Feinendegen, L. (2007). Eugene P. Cronkite--the man and his science. *Exp Hematol*, 35(4 Suppl 1), 5-7.
- Deepak, B., & Afaq, M. (2007). *Entering the workforce: Influencing factors and perception of success background*. Poster presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Deepak, B., Ali, S., Afaq, M., Shaw, Z., & Lancaster, G. (2007). *Case report: A unique presentation of a left ventricular mass*. Poster presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Deepak, B., Jain, H., Afaq, M., & Lancaster, G. (2007). *Variability in mitral annular E' velocities, mitral inflow e valocities in atrial fibrillation and sinus rhythm*. Poster presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Deepak, B., Jain, H., Afaq, M., Mathur, R., & Lancaster, G. (2007). *Do cardiology training programs adequately train for clinical practice? A survey study of cardiologists and cardiology fellows*. Poster presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Deepak, B. V., Alsous, F., Mathur, R., & Zarich, S. (2007). Congenital left ventricular diverticulum presenting as ventricular tachycardia in an elderly woman. *Am J Geriatr Cardiol*, 16(4), 262-265.
- Essandoh, L., & Luchansky, E. (2007, April). *The golden recipe - alternative medicine therapies in gynecology*. Paper presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Grigoriyan, A., Rishi, A., Molina, J., Homer, R., & Manthous, C. (2007). Diffuse alveolar damage and hemorrhage in acute myelogenous leukemia treated with corticosteroids. *Connecticut Medicine*, 71(4), 201-204.

- Hemmers, P., Chia, C., Rockwell, W., & Santilli, J. (2008). Epidemiology of allergic and cognitive symptoms of teachers working in a mold contaminated school (abstract). *Annals of Allergy, Asthma & Immunology*, 100(Suppl. 1), A55.
- Hom, D., & Trefry, R. (2007, Dec. 9-12). *Proposal for value driven universal coverage through a private public partnership*. Paper presented at the Conference for the Un-and Underinsured, Washington, D.C.
- Ivanov, O. (2007, April). *Diagnostic utility of nt-probnp in the evaluation of congestive heart failure in the emergency department in elderly patients with multiple cardiac morbidities*. Poster presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Jain, H., Afaq, M., Deepak, B., Blendea, D., & Lancaster, G. (2007, April 26). *Tissue doppler based assessment of left ventricular diastolic function assessment: Septal vs. the lateral wall*. Paper presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Jain, H., Afaq, M., Deepak, B., Blendea, D., & Lancaster, G. (2007). *Tissue doppler based assessment of left ventricular diastolic function assessment: Septal vs. The lateral wall*. Paper presented at the Annual Conference of the European Society of Cardiology, Viena, Austria.
- Jain, H., Brag, K., & Deepak, B. (2007, April). *Cost-benefit analysis of the use of coronary artery calcium score and Positron Emission Tomography in the evaluation of subjects with indeterminate Tc 99m SPECT stress test*. Paper presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Jain, H., Brag, K., Deepak, B., Zarich, S., Meizlish, J., & Schussheim, A. (2007, April). *Correlation between coronary calcium score and presence of ischemia on Rubidium-82 PET stress test*. Paper presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Jain, H., Brag, K., Zarich, S., Deepak, B., Meizlish, J., & Schussheim, A. (2007, April). *Coronary artery calcium score predicts global left ventricular function in the absence of ischemia or infarction: A Rubidium-82 PET-CT study*. Poster presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.
- Jain, H., Lancaster, G., & Zarich, S. (2007, April). *Differential response to heparinoids and glycoprotein iib/iiia inhibitors in acute coronary syndromes based on prior aspirin use: Meta analysis of randomized controlled trials*. Paper presented at the Twenty-first Annual Science Symposium, Bridgeport Hospital, Bridgeport, CT.

- Jain, H., Lancaster, G., & Zarich, S. (2007). *Differential response to heparinoids and glycoprotein IIb/IIIa inhibitors in acute coronary syndromes based on prior aspirin use: Meta-analysis of randomized controlled trials*. Paper presented at the Annual Conference of the European Society of Cardiology, Vienna, Austria.
- Jeng, J. C., Fidler, P. E., Sokolich, J. C., Jaskille, A. D., Khan, S., White, P. M., Street, J.H., Light, T., & Jordan, M. (2007). Seven years' experience with integra as a reconstructive tool. *J Burn Care Res*, 28(1), 120-126.
- Kaine, E., Fidler, P., Schultz, J., Kahn, S., Crombie, R., & Daltaon, S. (2008, March). "Roll-bar" for protective-posture splint limits potential trauma to dorsal hand grafts. Paper presented at the American Burn Association Annual Meeting, San Diego, CA.
- Kaine, E., Fidler, P., Schultz, J., Kahn, S., Crombie, R., Daltaon, S., Warren, A., LaBonte, E., Palmer, J., Possenti, P., Laird, J. & Atweh, N. (2008). "Roll-bar" for protective-posture splint limits potential trauma to dorsal hand grafts. *Journal of Burn Care Research*, 29(1), 204-207.
- Lampert, R., Shusterman, V., Burg, M., Batsford, W., McPherson, C., & Soufer, R. (2008). Anger, alternans, and arrhythmia: Anger-induced twa predicts future ventricular arrhythmias in patients with icds, abstract. *Journal of the American College of Cardiology*, 51(10 (supplement A)), A32.
- Lampert, R., Soufer, R., McPherson, C., Batsford, W., Tirado, S., Early, C., Goldberg, A., Shusterman, V. (2007). Implantable cardioverter-defibrillator shocks increase T-wave alternans. *Journal of Cardiovascular Electrophysiology*, 18(5), 512.
